Instructions

The application process consists of the following steps.

1. Please tear out the application provided in the center of this booklet. (Type or clearly print to fill out the application completely.)
2. In your own words, please write an essay telling us about yourself, why you have chosen Embry Riddle, what your expectations are of the program you chose to attend, what do you expect the biggest challenges to be this summer, and how do you expect to master those challenges. Please attach it to your application form.
3. Obtain a FAA Class II medical or a FAA Class II medical/student pilot certificate. (See *Additional Information* on page 21 for details)
4. Attach to your application, a school transcript or official letter from the school administration to support the GPA listed on the application.
5. Obtain a letter of recommendation (from a guidance counselor, teacher, or community leader, etc.) and attach it to your application form.
6. Attach to your application, a current passport photo of yourself and legible copies of the appropriate forms needed. (See *Additional Information* on page 21 for details)
7. See the Application Packet Checklist on page 13 to ensure you have enclosed the necessary items. Your application will not be considered complete unless all items are included.
8. Mail your application packet to:
The Summer Academy AB-134
Embry-Riddle Aeronautical University
600 South Clyde Morris Blvd.
Daytona Beach, Florida 32114-3900

Additional Information

- Early application is recommended. Space is limited and will be awarded on a first-come/first-served basis. A deposit is required as part of the application process. The remaining balance will be due two weeks prior to your arrival. Any application that arrives three weeks prior to the start date of camp, will have a rush fee of \$50.00 applied.

- Acceptance will **not** be granted on partial or incomplete applications. The Summer Academy will not accept partial applications to hold a place in any program. Please use the checklist provided for you on the previous page to ensure that you are submitting a **complete** application.

- A FAA Class II Medical or a FAA Class II Medical/Student Pilot Certificate is required for **all** participants in Flight Exploration and SunFlight programs. These certificates are issued from an FAA Aviation Medical Examiner. Please refer to your local yellow pages or online at www.flightphysical.com for a complete listing of FAA Medical Examiners in your area. **(Not all physicians are FAA Examiners.)** Please send a copy of the FAA Medical with the application. Do not send the original. The student must carry the original with him/her in order to fly.

- The FAA requires proof of U.S. Citizenship for all flight students.
 - You will need to attach a legible copy of one of the following: Birth Certificate, the individual's unexpired Passport, or U.S. Naturalization Certificate. **You must bring originals with you and present them on first day of program.**
 - All non-U.S. Citizens are required by the FAA and TSA to successfully complete a background check for any flight training before being accepted to the Summer Academy. You will need to send a legible copy of your current passport, and a legible copy of your current visa with your application. **You must bring originals with you and present them on first day of program.** Upon receipt of the application packet, the Summer Academy will email you the steps required for your Background check.

- If you have been accepted, the Summer Academy will notify you in writing. You will also receive additional forms and information pertinent to the session in which you have been accepted. Please fill out the forms and return the completed packet to the Summer Academy as soon as possible. The original completed forms must be in our office two weeks prior to the start date of your scheduled session.

- Do not book airline tickets until you have been accepted to attend the program to which you have applied. Please be aware that, occasionally, SunFlight Private Pilot and Multi-Engine students need to stay on campus longer than the original scheduled departure date.

- Students enrolled in SunFlight Solo, Private Pilot and Custom Training should be aware that the tuition includes a deposit towards your flight fees. Deposit amounts vary depending on which program you are attending. Details will be explained in the information packet you receive after being accepted.

- The registration deposit will be refunded in full if your cancellation notice is received in writing at least thirty days prior to the start date of your scheduled session. Cancellation notices received after that date will result in forfeiture of the registration deposit.
