

NASA Educator Resource Center (ERC)

Education Show & Shares...

Free professional development workshops for teachers!

*Saturday workshops on a variety of math, science and technology topics
utilizing NASA Education Resources*

Workshops are held from 9:30-11:30 a.m. (9:00-12:00 on November 10).

Contact the ERC at 928-777-6281 or deveaus@erau.edu to register!

Aug. 28: Science Inquiry/Science Projects (*Tuesday, 4:30-6:30*)

Oct. 13: Using NASA's ISS EarthKAM and Mars Student Imaging projects/activities in your class (middle-high)

Nov. 10: Our moon, activities, and how you can borrow *real lunar samples* from NASA!

**Dec. 8: Learn about NASA's Star Count Project and activities for students
and S'COOL – NASA's Student Cloud Observation Online project**

Feb. 9: STS-118: First Educator in Space mission activities

March 8: Smart Skies: using hands-on math to solve real-world air-traffic problems

Due to the Middle School Math & Science Olympics (MSO) event, an April workshop will not be held.

Contact the ERC for information about the MSO on April 12!

May 10: It IS Rocket Science!
